## About

With a background in Mathematics and Computer Science and a certification in Web & Mobile Development from EPITECH Benin, I combine strong technical expertise with a genuine passion for knowledge sharing. As Head of the Coding Academy program, my mission is to guide and inspire the next generation of developers by placing innovation, technical excellence, and a hands-on “learning by doing” approach at the core of their training.

## Education

- **Web and Mobile Designer Developer Certificate**  
From October 2021 to March 2022 EPITECH Bénin Cotonou, LI, Benin
- **Professional degree in Mathematics and Computer Science**  
From January 2018 to July 2020 ENS Natitingou Natitingou, AK, Benin
- **High school diploma, Series D**  
From October 2010 to July 2017 CEG1 Djougou Djougou, DO, Benin

## Work experience
